Case No. C04-2418L

ORDER DENYING PLAINTIFF'S  
MOTION FOR ENFORCEMENT OF  
CRIMINAL CONTEMPT CHARGES  
AND OBSTRUCTING OF JUSTICE

16  
17 On May 18, 2005, plaintiff filed a "Motion for Enforcement of Criminal Contempt  
18 Charges and Obstructing of Justice." (Dkt. #22). Plaintiff alleges that defendants Elizabeth  
19 Lalik, Esq. and Time Warner, Inc. are concealing evidence and thwarting her efforts to serve  
20 them. Plaintiff, however, has presented no admissible evidence to support those serious  
21 allegations.

22 Accordingly, plaintiff's Motion for Enforcement of Criminal Contempt Charges and  
23 Obstructing of Justice is DENIED (Dkt. #22). To the extent that plaintiff's motion could be  
24 construed as relating to defendants' pending motions to dismiss and for sanctions, the Court will

1 also consider it when ruling on those motions.
